Special Weddings at Beeston Fields

1865 was the first recorded wedding at Beeston Fields... We'd like to think they chose it because of its beautiful parkland setting, nestled within 35 acres, because of its Victorian splendour and the grandeur of the 19th century country house, but actually it was the Fellows family who lived here.

Beeston Fields remains a family run business to this day. We would personally like to welcome you to celebrate your special day and follow in their footsteps ...

Our aim here at Beeston Fields is to provide a highly personalised, quality service with attention to detail and wonderfully interesting food. We work with you to design YOUR day according to your needs, ideas and dreams. Our wedding planners are here to plan and guide along the way and ensure that all your needs are met. On the day all you have to do is turn up and enjoy your day - we do the hosting for you!

For us, personal recommendation is our best form of advertising. In this brochure are just a few of the messages we have had. Please feel free to get in touch. We would love to show you around our wonderful hidden treasure!

Philippa, Alastair and the team.

The Clubhouse

Built in 1837, the oak panelled country house is steeped in history. Our sun lounge overlooks the golf course and has beautiful views of the lush green park.

The Oak Room is decorated in magnificent Victorian style with oak panelled walls that compliment the splendour of the house. This is ideal for smaller groups for a more intimate feel.

We can accommodate up to 100 guests for a sit-down wedding breakfast and 150 for an evening reception, or smaller numbers for a more intimate wedding celebration.

We can offer sit down full wedding breakfasts, hot and cold buffets and finger buffets.

We have some basic prices as a guideline and starting point.

Please see the Functions pack on the web site.

The Walled Garden Marquee

New and exciting for 2012 is our unique walled garden marquee. With a truly wow factor our new marquee will be able to accommodate 120 guests seated and up to 175 guests for an evening reception.

The stunning marquee within the walled garden provides an intimate and private place for you and your guests to relax and it will provide the backdrop for your photographs.

Our gardens will be landscaped with lawns and wooded areas and will offer tranquillity and peace ... a little piece of heaven for your special day.

Everything we do is individually designed with you and for you. Each wedding is bespoke and tailor made for each couple, giving you the opportunity to design the day that you have always dreamed of.

The Walled Garden refurbishment will be ready for the 2012 wedding season and we will be finalising prices shortly. If you are interested in booking then please call us and we will discuss your requirements and give you a firm estimate.

If you would like any further information or would like a chat, then please do not hesitate to contact us. We will be more than happy to help.
